INTRODUCTION

Welcome to my e-book on ChatGPT use cases!

This revolutionary technology can open a world of possibilities but many of them remain hidden. My hope is that with the knowledge contained in this e-book, you will have the tools to unlock your full potential and make the most of your life.

Overall, the e-book is designed to help you achieve your goals by providing you with prompts (the lines you type into ChatGPT) and formulas to enhance your natural abilities. I organized them into 5 categories:

- Productivity - Save time and increase your output
- Writing - Write almost anything
- Social - Improve your communication
- Health - Custom meal and workout plans
- Entertainment- Just for fun

I hope you find the information in this e-book useful. Let's dive right in.

Much Love,

Igor

GENERAL GUIDELINES

From the second I decided to write this e-book it was clear to me that including the following guidelines would be essential to get the most out of the following prompts, so read them carefully as one can easily get lost in the conversational flow ChatGPT provides.

Consider Privacy

Chatbots often collect and store personal data, so it's important to ensure that you only feed it data that you would also share in a typical social media post.

Be Transparent

When you use the outputs in your everyday life it's important to be upfront about the fact that you are using a chatbot. This helps with managing future expectations and allows yourself to maintain your self-respect. For example, I used ChatGPT extensively in the creation of this e-book, but besides the legal text and some of the examples, none of it was copy-pasted. See how this works? There is no shame in using freely available technology to your advantage. Just don't deceive others as this will always(!) catch up with you in unpredictable ways.

Plagiarism

AI detection software is being worked and improved on every day. So don't expect any of the blindly copy-pasted chatbot outputs to stand the test of time. Especially when it comes to critical pieces of work that you intend to build your life upon (such as a university thesis or a book). As of 2023 the best use-case for this technology is to kickstart your project or idea, so don't just blindly copy-paste without disclosing the use of AI tools. Take what it gives you and expand it with your own thoughts and ideas.

The Bias Is Real

Chatbots can often reflect the biases of their creators or the data they are trained on. It's essential to be aware of these biases and to use chatbots to improve and uplift your and others actions.

Personal Responsibility

It should go without saying that chatbots are not a replacement for human interaction and should not be used to exploit or manipulate others. AI can give you some amazing abilities and powers, but it's up to you to use them responsibly.

HOW TO USE

Explainer

The focus of this book is presenting you with use cases that you can put to work right away. Every page features a new prompt that consists of 3 basic sections:

- Prompt – My favorite use-case that ask for a response from Chat GPT. Simply copy-paste this into the text field and hit enter
- Formula – Customize the prompts to your own needs. Replace the word in square brackets with your very own.
- Example – Get inspired on how to customize the formulas to your very own needs by some practical use-cases that are also copy-paste ready.

Follow-Up

In many cases the first prompt you send is just a starting point on your journey to a useful answer. I included a chapter with some follow-up prompts that will help you continue your conversation. Doing that is extremely powerful as ChatGPT produces its best results when you provide the appropriate context and that is exactly what follow-up prompts allow for.

Better Results

The most important concept one has to understand when working with ChatGPT is that every prompt consists of 2 components:

1. Instructions (e.g., Write me an essay)
2. Context (e.g., about penguins)

By combining both instructions and context, a functional prompt is created (e.g., Write me an essay about penguins).

Mastering ChatGPT is all about providing it with the right context. While this book provides you with many examples, it is essential to recognize that your needs and therefor the required context will differ from the provided examples.

To improve the quality of the outputs you receive, consider the following guidelines:

- Providing detailed context will produce answers that are tailored to your needs
- Communicate clearly and concisely
- Too much context is just as bad as too little
- Never include contradictory instructions
- Trial & Error is the key to creating optimal prompts

This e-book is designed to get you started with ChatGPT, but if you are interested in getting better results that are tailored to your needs, you will need to pick up the skill of prompt engineering which I teach in my video course that is available [here](#).

GPT 3.5 vs. GPT-4

OpenAI introduced GPT-4 in March 2023, now giving us a choice between this new model and the older GPT-3.5. If I had to summarize the differences in just 1 word, I'd say GPT-4 is just "better". It's better at pretty much at almost every task you give it - it's more creative, more reliable, more consistent, and most importantly, its reasoning capabilities have been upgraded, making it an even better problem solver than GPT-3.5.

You might be wondering if there's any reason to stick with GPT-3.5 if you have the choice? Well, GPT-3.5's results are often about 80 % as good, especially for shorter and simpler prompts. Plus it's 10x faster and free! If you want a more in-depth comparison, check out my [YouTube channel](#) for a detailed video on the topic.

When people ask me if it's worth the investment, I usually say: "If you use it for work more than twice a week, it's probably worth it." This especially holds in combination with this e-book as you now have a manual on how to actually get ahead by making ChatGPT work for you.

It should also be noted that the 3. edition of this e-book has been designed with GPT-4 in mind, but almost all improvements will also lead to better results with GPT-3.5. The updated focused on eliminating any kind of ambiguity and adding more relevant context to the prompts.

So, bottom line, if you have the option, go for GPT-4.

Teach ChatGPT Your Style

One of the most powerful, yet hidden, capabilities of ChatGPT is its ability to learn about your writing style and then respond in it. This trick is quite simple once you understand how it works:

Let's say you want ChatGPT to write your email. Before telling it to "Write me an email about [topic]" send the following line:

"Analyze the following text for style and tone of voice. Apply that exact style and tone of voice to all your future responses: [insert your writing]"

This works best if you send the exact type of writing you want it to mimic (If you are writing an email give it an actual email you wrote).

Let's Begin

It's time to transition towards the section of the book that focuses on the actual prompts which you can copy paste straight into ChatGPT.

My recommendation would be opening this e-book on one half of the screen and ChatGPT on the other. And if you are not sure where to start, the Entertainment chapter is always an easy entry point.

PRODUCTIVITY

GENERATE IDEAS

Prompt

Can you provide 8 ideas for a workshop about public speaking for introverts, focusing on building confidence, effective communication techniques, and overcoming stage fright, with interactive exercises and practice opportunities?

Formula

Can you provide [number] ideas for a [format] about [subject] for [target audience], focusing on [topics], with [additional context]?

Examples

- Can you provide 5 ideas for a series of blog posts about sustainability for young adults, focusing on eco-friendly fashion, zero waste living, and renewable energy, with an emphasis on actionable tips?
- Can you provide 3 ideas for a webinar about fitness for busy professionals, focusing on workout routines, nutrition, and rest and recovery, with a practical approach for incorporating fitness into a hectic schedule?
- Can you provide 4 ideas for a podcast about mental health for college students, focusing on self-care,

therapy, and mindfulness, with a focus on maintaining balance during academic stress?

- Can you provide 6 ideas for a YouTube series about cooking for beginner chefs, focusing on easy recipes, essential kitchen skills, and budget-friendly meal planning, with step-by-step instructions?
- Can you provide 7 ideas for a newsletter about personal finance for recent graduates, focusing on budgeting, saving, investing, and managing student loans, with real-life examples and success stories?
- Can you provide 10 ideas for an e-book about remote work for freelancers, focusing on productivity, time management, work-life balance, and networking, with advice from successful remote workers?

IMPROVE ANYTHING

Prompt

Can you provide suggestions for how I can improve my time management with the goal of increasing productivity and achieving a better work-life balance?

Formula

Can you provide suggestions for how I can improve [subject] with the goal of [objective]?

Examples

- Can you provide suggestions for how I can improve this text: [insert text] with the goal of making it more engaging and concise for the reader?
- Can you provide suggestions for how I can improve the search engine optimization on my blog about vegan food supplements with the goal of increasing organic traffic and reaching a wider audience?
- Can you provide suggestions for how I can improve the user experience on my website with the goal of reducing bounce rate and increasing customer satisfaction?

- Can you provide suggestions for how I can improve my presentation skills with the goal of engaging the audience and conveying information more effectively?
- Can you provide suggestions for how I can improve my team's collaboration with the goal of enhancing communication, reducing misunderstandings, and completing projects more efficiently?
- Can you provide suggestions for how I can improve my social media presence with the goal of increasing brand awareness and driving more engagement from my target audience?
- Can you provide suggestions for how I can improve my email marketing campaigns with the goal of boosting open rates, click-through rates, and ultimately, conversions?
- Can you provide suggestions for how I can improve my customer service with the goal of enhancing customer satisfaction, reducing response times, and increasing customer loyalty?
- Can you provide suggestions for how I can improve my public speaking skills with the goal of overcoming stage fright, effectively delivering my message, and connecting with my audience?
- Can you provide suggestions for how I can improve my work environment with the goal of fostering creativity, encouraging collaboration, and boosting employee morale and well-being?

GENERATE PROFESSIONAL IDEAS

Prompt

Can you provide 10 ideas for advertising concepts in the marketing industry that a creative director could have, with a focus on innovative and attention-grabbing strategies?

Formula

Can you provide [number] ideas for [type] concepts in the [industry] that a [professional] could have, with a focus on [specific characteristic]?

Examples

- Can you provide 5 ideas for product designs in the tech industry that an industrial designer could have, with a focus on user-centered and functional designs?
- Can you provide 8 ideas for event themes in the wedding industry that an event planner could have, with a focus on unique and memorable experiences?
- Can you provide 7 ideas for content topics in the finance industry that a content strategist could have, with a focus on engaging and informative articles?

- Can you provide 6 ideas for user interface improvements in the software industry that a UX designer could have, with a focus on usability and accessibility?
- Can you provide 9 ideas for team-building activities in the corporate world that a human resources manager could have, with a focus on promoting collaboration and communication?
- Can you provide 4 ideas for sustainable practices in the hospitality industry that a hotel manager could have, with a focus on reducing environmental impact and promoting eco-friendly operations?
- Can you provide 3 ideas for educational programs in the health and wellness industry that a gym owner could have, with a focus on engaging members and promoting a healthy lifestyle?

PREPARE SCHEDULES

Prompt

Can you create a 10-week language learning schedule for me to help improve my Spanish language skills with a focus on conversation, grammar, and vocabulary, including time, activities, and breaks? I have time from 5 pm to 7 pm.

Formula

Can you create a [duration]-long schedule for me to help [desired improvement] with a focus on [objective], including time, activities, and breaks? I have time from [starting time] to [ending time]

Examples

- Can you create a 4-week study schedule for me to help improve my grades with a focus on time management and effective study techniques, including time, activities, and breaks? I have time from 4 pm to 10 pm.
- Can you create a 12-week fitness schedule for me to help improve my health with a focus on building strength and increasing cardiovascular endurance, including time, activities, and breaks? I have time from 8 am to 10 pm.

- Can you create an 8-week personal development schedule for me to help improve my video creation skills with a focus on storytelling, editing, and audience engagement, including time, activities, and breaks? I have time from 3 pm to 8 pm.
- Can you create a 6-week productivity schedule for me to help improve my work efficiency with a focus on prioritization, time management, and stress reduction, including time, activities, and breaks? I have time from 8 am to 6 pm.
- Can you create a 2-month budgeting schedule for me to help improve my personal finance management with a focus on tracking expenses, saving, and debt reduction, including time, activities, and breaks? I have time from 8 pm to 10 pm.
- Can you create a 3-month art practice schedule for me to help improve my painting skills with a focus on color theory, composition, and various techniques, including time, activities, and breaks? I have time from 5 pm to 7 pm.
- Can you create a 5-week cooking schedule for me to help improve my culinary skills with a focus on mastering basic techniques, experimenting with new recipes, and learning about different cuisines, including time, activities, and breaks? I have time from 6 pm to 9 pm.

SHORTEN MESSAGES

Prompt

Provide a paraphrase in 20 words for the following message, considering it's for a classroom announcement: Due to the ongoing snowstorm, all classes will be conducted online for the rest of the week.

Formula

Provide a [type of explanation] in [number] words for the following message, considering [audience]: [message]

Examples

- Provide a summary in 50 words for the following message, considering it's for a company-wide email: The company will be conducting layoffs next quarter due to financial difficulties.
- Provide a paraphrase in 25 words for the following message, considering it's for a social media post: The government has announced a new policy to reduce carbon emissions by 2030.
- Provide a brief explanation in 10 words for the following message, considering it's for a text message to a friend: The football game has been postponed until next weekend.

- Provide an analysis in 30 words for the following message, considering it's for a news headline: The central bank has decided to raise interest rates to combat inflation.
- Provide a summary in 15 words for the following message, considering it's for a tweet: The new software update includes bug fixes and performance improvements to enhance user experience.
- Provide a brief explanation in 5 words for the following message, considering it's for a text message to a coworker: The meeting has been rescheduled.

GENERATE GUIDES

Prompt

Can you provide step-by-step instructions on how to start a vegetable garden at home, considering a small space and for first-time gardeners?

Formula

Can you provide step-by-step instructions on how to [subject], considering [context]?

Examples

- Can you provide step-by-step instructions on how to make an HTTP request in JavaScript?
- Can you provide step-by-step instructions on how to make a homemade face mask?
- Can you provide step-by-step instructions on how to perform a basic oil change on a car?
- Can you provide step-by-step instructions on how to prepare a budget spreadsheet, considering intermediate complexity and for personal finance management?
- Can you provide step-by-step instructions on how to write a professional cover letter, considering a concise format and for job seekers in any industry?

SUMMARIZE ANYTHING

Prompt

Can you provide a 100-word summary of the history of Europe, considering a general audience?

Formula

Can you provide a [number]-word summary of [title], considering [target audience]?

Examples

- Can you provide a 50-word summary of the TV show *Two and a Half Men*, considering general viewership?
- Can you provide a 100-word summary of the basics of computer science, considering high school students?
- Can you provide a 75-word summary of the differences between solar and coal energy sources, considering an environmentally conscious audience?
- Can you provide a 30-word summary of the following text [insert text], considering it's for a social media post?
- Can you provide a 60-word summary of the novel *To Kill a Mockingbird*, considering a book club discussion?

ESTIMATE THE FUTURE

Prompt

How do you think autonomous vehicles will impact the transportation industry in the long-term, and what are your personal expectations for this development?

Formula

How do you think [emerging technology] will impact the [industry] in the [short-term/long-term], and what are your personal expectations for this development?

Examples

- How do you think artificial intelligence will impact the healthcare industry in the short-term, and what are your personal expectations for this development?
- How do you think virtual reality will impact the education industry in the long-term, and what are your personal expectations for this development?
- How do you think blockchain technology will impact investment banking within the finance industry in the short-term, and what are your personal expectations for this development?

- How do you think quantum computing will impact the cybersecurity industry in the short-term, and what are your personal expectations for this development?
- How do you think 3D printing will impact the manufacturing industry, specifically in aerospace, in the long-term, and what are your personal expectations for this development?
- How do you think the Internet of Things (IoT) will impact the smart city infrastructure in the short-term, and what are your personal expectations for this development?

PERSONAL TRAVEL GUIDE

Prompt

Can you provide recommendations and suggestions for things to see and do in Rome, Italy, for a history lover?

Formula

Can you provide recommendations and suggestions for things to see and do in [location/region] based on [preferences]?

Examples

- Can you provide recommendations and suggestions for things to see and do in the Champagne region within France for a wine enthusiast?
- Can you provide recommendations and suggestions for things to see and do in Tokyo for someone interested in technology and pop culture?
- Can you provide recommendations and suggestions for things to see and do in Williamsburg, New York City, for a budget-conscious traveler?
- Can you provide recommendations and suggestions for things to see and do in Costa Rica for an eco-adventure enthusiast?

- Can you provide recommendations and suggestions for things to see and do in Sydney, Australia, for a traveler interested in outdoor activities and local culture?
- Can you provide recommendations and suggestions for things to see and do in Santorini, Greece, for a couple seeking a romantic getaway?

TRANSLATE WITH CONTEXT

Prompt

Can you translate the phrase “Bon appétit” in the context of a dinner party into Italian?

Formula

Can you translate “[phrase]” in the context of an [event] into [language]?

Examples

- Can you translate the phrase “Congratulations” in the context of a graduation into German?
- Can you translate the phrase “I am sorry” in the context of a wedding into Spanish?
- Can you translate the phrase “Il faut cultiver notre jardin” into German?
- Additional Examples: 4. Can you translate the phrase “Happy birthday” into Japanese?
- Can you translate the phrase “Thank you for your hospitality” into French?
- Can you translate the phrase “Best wishes” in the context of a farewell party into Russian?

UNDERSTAND DEEPLY

Prompt

Can you provide a detailed comparison of the underlying themes of quantum computing and classical computing?

Formula

Can you provide a detailed comparison of the underlying themes of [idea A] and [idea B]?

Examples

- Can you provide a detailed comparison of the underlying themes of the political ideologies of conservatism and liberalism?
- Can you provide a detailed comparison of the underlying themes of the paintings “The Starry Night” by Vincent van Gogh and “The Persistence of Memory” by Salvador Dalí?
- Can you provide a detailed comparison of the underlying themes of Shakespeare’s “Romeo and Juliet” and “Macbeth”?
- Can you provide a detailed comparison of the underlying themes of the economic theories of capitalism and socialism?

- Can you provide a detailed comparison of the underlying themes of the philosophies of existentialism and stoicism?
- Can you provide a detailed comparison of the underlying themes of the musical styles of jazz and classical music?

DISCOVER QUALITIES

Prompt

In your opinion, what is the most important quality an prompt engineer can possess, and why do you think that is?

Formula

In your opinion, what is the most important quality a [person] can possess in the context of [situation]?

Examples

- In your opinion, what is the most important quality a teacher can possess in the context of working with adults?
- In your opinion, what is the most important quality a parent can possess in the context of raising emotionally healthy children?
- In your opinion, what is the most important quality a leader can possess in the context of running a start-up?
- In your opinion, what is the most important quality a scientist can possess, and why do you think that is?
- In your opinion, what is the most important quality a friend can possess, and why do you think that is?

DISCOVER PATHS TO GOALS

Prompt

Can you provide a list of 5 ways to be more productive in personal projects on weekends?

Formula

Can you provide a list of [number] ways to [goal]?

Examples

- Can you provide a list of 10 ways to adopt environmentally friendly habits with minimal effort?
- Can you provide a list of 8 ways to boost your confidence when interacting with your crush?
- Can you provide a list of 7 ways to improve your communication skills in professional settings?
- Can you provide a list of 6 ways to maintain a healthy work-life balance while working remotely?
- Can you provide a list of 9 ways to enhance your creativity during brainstorming sessions?
- Can you provide a list of 4 ways to effectively manage stress during high-pressure situations?

CREATE CAMPAIGNS

Prompt

Please design an advertising campaign to promote an online language learning platform targeting busy professionals.

Formula

Please design an advertising campaign to promote [product/service] targeting [target audience].

Examples

- Please design an advertising campaign to promote a new fitness tracking mobile app targeting young adults.
- Please design an advertising campaign to promote a new fashion line targeting women in their 30s.
- Please design an advertising campaign to promote a new healthy snack option targeting children.
- Please design an advertising campaign to promote eco-friendly home cleaning products targeting environmentally-conscious consumers.
- Please design an advertising campaign to promote a new plant-based restaurant targeting health-conscious food enthusiasts.
- Please design an advertising campaign to promote a financial planning service targeting young families.

GENERATE TITLES

Prompt

Generate memorable movie titles using the following keywords: friendship, laughter, and fun.

Formula

Generate [adjective] [title type] titles using the following keywords: [keywords].

Examples

- Generate catchy book titles using the following keywords: love, hope, and dreams.
- Generate powerful article titles using the following keywords: strength, courage, and determination.
- Generate intriguing podcast titles using the following keywords: mystery, suspense, and secrets.
- Generate inspiring blog post titles using the following keywords: motivation, success, and ambition.
- Generate captivating song titles using the following keywords: heartbreak, healing, and resilience.
- Generate engaging event titles using the following keywords: innovation, technology, and collaboration.

GET CONCISE ANSWERS

Prompt

Answer the following question in exactly 10 words: How can I effectively manage my time during work?

Formula

Answer the following question in [number] words: [question]

Examples

- Answer the following question in exactly 20 words: What are some ways to reduce stress for a young adult?
- Answer the following question in exactly 5 words: What are some strategies for improving communication skills in my workplace?
- Answer the following question in exactly 6 words: What are some methods for increasing productivity when at home by myself?
- Answer the following question in exactly 8 words: What are the benefits of regular physical exercise?
- Answer the following question in exactly 12 words: How can I develop better decision-making skills in my career?

ANALYZE POPLULARITY

Prompt

Why is Pulp Fiction such a popular Film?

Formula

What makes [title] such a [adjective] [format]?

Examples

- What makes The Office such a wildly-loved TV show?
- What makes Minecraft such an engaging video game?
- What makes Star Wars such an enduring movie franchise?
- What makes The Great Gatsby such a timeless novel?
- What makes the Mona Lisa such a captivating painting?
- What makes Hamilton such a groundbreaking musical?
- What makes the iPhone such an influential piece of technology?

DISCOVER BRAND NAMES

Prompt

Can you generate 2 potential brand names for a tech company, targeting professionals, inspired by the principles of innovation and convenience, using words associated with technology and progress?

Formula

Can you generate [number] potential brand names for a [company], targeting [demographic], inspired by the principles of [industry], using words associated with [concepts]?

Examples

- Can you generate 5 potential brand names for a cosmetics company, targeting young adults, inspired by the principles of natural beauty, using words associated with femininity and glamour?
- Can you generate 4 potential brand names for a home decor company, targeting eco-conscious consumers, inspired by the principles of minimalism, using words associated with warmth and comfort, or drawing from sustainable materials and practices?
- Can you generate 3 potential brand names for a fitness apparel company, targeting athletes, inspired by the principles of performance and endurance, using words associated with strength and agility?

- Can you generate 6 potential brand names for a gourmet coffee shop, targeting coffee connoisseurs, inspired by the principles of quality and sustainability, using words associated with flavor and aroma?
- Can you generate 4 potential brand names for an eco-friendly transportation company, targeting urban commuters, inspired by the principles of energy efficiency and environmental responsibility, using words associated with clean energy and low emissions?
- Can you generate 5 potential brand names for a children's educational toy company, targeting parents and educators, inspired by the principles of learning and development, using words associated with creativity and exploration?

DISCOVER TAG LINES

Prompt

Can you create a bold tagline for a brand of high-performance bicycles that appeals to competitive cyclists and captures the essence of speed, precision, and innovation?

Formula

Can you create a [style] tagline for [product/service] that appeals to [target audience] and captures the essence of [brand voice]?

Examples

- Can you create an inspiring tagline for a new line of eco-friendly sneakers that appeals to health-conscious millennials and captures the essence of sustainability and social responsibility?
- Can you come up with a witty tagline for a startup that offers virtual personal shopping services for busy professionals, targeting time-strapped individuals who value personalized style and convenience?
- Can you come up with a clever tagline for a line of designer headphones that appeals to audiophiles and captures the essence of sophistication, elegance, and sound quality?

- Can you create a catchy tagline for a new line of premium dog food that appeals to health-conscious pet owners and captures the essence of natural ingredients and superior nutrition?
- Can you come up with a memorable tagline for a line of gourmet chocolates that appeals to luxury food enthusiasts and captures the essence of indulgence, sophistication, and decadence?
- Can you create a playful tagline for a brand of organic baby clothes that appeals to eco-conscious parents and captures the essence of comfort, safety, and style?
- Can you come up with a thought-provoking tagline for a brand of natural energy drinks that appeals to active individuals and captures the essence of vitality, sustainability, and wellness?

GENERATE SLOGANS

Prompt

Can you create a catchy slogan for a coffee shop that incorporates the word “awake” and conveys a sense of energy, freshness, and creativity to young urban professionals?

Formula

Can you create a catchy slogan for [target audience] that incorporates the word [specific word] and conveys [brand voice]?

Examples

- Can you create a catchy slogan for a cybersecurity company that incorporates the word “hacks” and conveys a sense of strength and reliability to tech-savvy businesses?
- Can you come up with a memorable slogan for a sports car dealership that incorporates the word “zoom” and conveys a sense of speed, power, and excitement to car enthusiasts?
- Can you come up with a playful slogan for a toy store that incorporates the word “play” and conveys a sense of fun, imagination, and joy to children and parents?
- Can you create an inspiring slogan for a fitness brand that incorporates the word “fit” and conveys a sense

of health, wellness, and empowerment to active individuals?

- Can you come up with a bold slogan for a fashion brand that incorporates the word “style” and conveys a sense of confidence, sophistication, and individuality to fashion-forward consumers?
- Can you create a catchy slogan for a pet store that incorporates the word “paws” and conveys a sense of love, care, and happiness to pet owners?
- Can you come up with a memorable slogan for a travel agency that incorporates the word “adventure” and conveys a sense of excitement, exploration, and discovery to adventurous travelers?

CREATE SOCIAL MEDIA PLANS

Prompt

As a social media manager, can you help a travel agency drive more website traffic on Facebook by creating inspiring and aspirational content that resonates with adventure seekers and conveys a sense of wanderlust, discovery, and excitement?

Formula

As a social media manager, can you help [organization] achieve [specific goal] on [social media platform] by creating [type of content] that resonates with [target audience] and conveys [brand voice]?

Examples

- As a social media manager, can you help a fashion brand achieve higher engagement rates on Instagram by creating visually stunning and interactive content that resonates with young fashion enthusiasts and conveys a sense of creativity, authenticity, and individuality?
- As a social media manager, can you help a B2B software company increase brand awareness on LinkedIn by creating informative and insightful content that resonates with business professionals and conveys a sense of expertise, innovation, and reliability?

- As a social media manager, can you help a food and beverage brand increase sales on TikTok by creating entertaining and creative content that resonates with young and trendy consumers and conveys a sense of fun, indulgence, and cultural diversity?
- As a social media manager, can you help a non-profit organization increase donations on Twitter by creating emotionally engaging and inspiring content that resonates with socially conscious individuals and conveys a sense of empathy, compassion, and social impact?
- As a social media manager, can you help a healthcare provider increase patient engagement on YouTube by creating educational and informative content that resonates with health-conscious individuals and conveys a sense of expertise, trust, and compassion?

DESCRIBE CUSTOMERS

Prompt

Can you create a detailed description of a buyer persona named “John” that is a 55-year-old widowed male living in Houston and reflects the needs, goals, challenges, and behaviors of retired baby boomers who are interested in health and wellness products and services that can help them maintain an active and independent lifestyle?

Formula

Can you create a detailed description of a buyer persona named [name] that is [demographics] and reflects the needs, goals, challenges, and behaviors of the [target audience]?

Examples

- Can you create a detailed description of a buyer persona named “Jessica” that is a 25-year-old single female living in New York City and reflects the needs, goals, challenges, and behaviors of millennial urban professionals who are interested in sustainable and ethical fashion?

- Can you create a detailed description of a buyer persona named “Tom” that is a 35-year-old married male living in Los Angeles and reflects the needs, goals, challenges, and behaviors of tech-savvy homeowners who are interested in smart home technology and energy-efficient appliances?
- Can you create a detailed description of a buyer persona named “Sarah” that is a 30-year-old married female living in Boston and reflects the needs, goals, challenges, and behaviors of working parents who are interested in healthy and convenient meal solutions that can fit into their busy lifestyle?
- Can you create a detailed description of a buyer persona named “Alex” that is a 22-year-old college student living in Chicago and reflects the needs, goals, challenges, and behaviors of socially conscious and environmentally aware consumers who are interested in sustainable and ethical products and services?
- Can you create a detailed description of a buyer persona named “Linda” that is a 45-year-old divorced female living in Miami and reflects the needs, goals, challenges, and behaviors of affluent and health-conscious individuals who are interested in luxury wellness and spa services?

COMPARE CONCEPTS

Prompt

What is a light to a room, that a smile is to a face in brightening up?

Formula

What is a [concept A], that a [concept B] in [goal]?

Examples

- What is a writer to a book, that a painter is to a canvas in creating art?
- What is a key to a lock, that a puzzle piece is to a jigsaw in solving a mystery?
- What is a mentor to a student, that a coach is to an athlete in achieving excellence?
- What is a wave to the ocean, that a breeze is to the wind in shaping nature?

- What is a lens to a camera, that a frame is to a painting in capturing a moment?
- What is a seed to a plant, that a dream is to a goal in growing and achieving?

UNCOVER FACTS

Prompt

What is an aspect of quantum mechanics that is often misunderstood by non-scientists?

Formula

What is an aspect of [subject] that is commonly misunderstood or overlooked?

Examples

- What is an aspect of the history of the pencil that is commonly misunderstood or overlooked by students?
- What is an aspect of the scientific properties of dreams that is commonly misunderstood or overlooked by adults?
- What is an aspect of the cultural significance of blue that is commonly misunderstood or overlooked by designers?
- What is an aspect of the history of jazz music that is often overlooked in mainstream narratives by musicians?
- What is an aspect of the life and work of Vincent van Gogh that is often overlooked by art historians?

IMPROVE SKILLS

Prompt

Can you suggest practical ways to learn or practice Python programming without taking a course or joining a community?

Formula

Can you suggest practical ways to learn or practice [specific skill] without taking a course or joining a community?

Examples

- Can you suggest practical ways to improve your public speaking skills without taking a course or joining a community?
- Can you suggest practical ways to learn basic financial management without taking a course or joining a community?
- Can you suggest practical ways to develop your leadership skills without taking a course or joining a community?
- Can you suggest practical ways to learn basic photography without taking a course or joining a community?

- Can you suggest practical ways to improve your time management skills without taking a course or joining a community?
- Can you suggest practical ways to improve your graphic design skills without taking a course or joining a community?
- Can you suggest practical ways to learn a new language without taking a course or joining a community?

SUPPORT CUSTOMERS

Prompt

Act as a customer support assistant that is helpful, creative, clever, and very friendly. Now answer this email for our video production company:

Formula

Take on the role of a support assistant at a [type] company that is [characteristic]. Now respond to this scenario: [scenario]

Examples

- Take on the role of a support assistant at a software development company that is innovative. Now respond to this scenario: A customer is reporting a bug in the latest version of your software.
- Take on the role of a support assistant at a telecommunications company that is customer-focused. Now respond to this scenario: A client is struggling with poor signal quality and dropped calls.
- Take on the role of a support assistant at a fashion retail company that is eco-conscious. Now respond to this scenario: A customer has concerns about the sustainability of your clothing materials.

- Take on the role of a support assistant at a video game company that is story-driven. Now respond to this scenario: A player is experiencing a game-breaking glitch in the middle of a crucial story mission.
- Take on the role of a support assistant at a travel agency that is luxury-oriented. Now respond to this scenario: A client wants to plan a last-minute, high-end vacation but has specific requirements for accommodations and activities.
- Take on the role of a support assistant at a food delivery company that is focused on speedy delivery. Now respond to this scenario: A customer is upset that their order arrived late and cold.
- Take on the role of a support assistant at an online education company that is dedicated to accessibility. Now respond to this scenario: A student is having difficulty accessing course materials due to a disability.

KICKSTART A WEBSITE

Prompt

Can you build an e-commerce website for a home goods store? Make sure to include a shopping cart and payment gateway to achieve increased online sales.

Formula

Can you build a [type of website] for [subject]? Make sure to include [specific features] to achieve [goals].

Examples

- Can you build a blog for a travel website? Make sure to include a map widget and social media integration to achieve increased engagement.
- Can you build a portfolio website for a freelance graphic designer? Make sure to include a contact form and gallery to achieve increased visibility and client inquiries.
- Can you build a non-profit organization website for a wildlife conservation group? Make sure to include a donation platform and impact tracker to achieve increased funding and awareness.

- Can you build a sports team website for a local soccer club? Make sure to include a roster and schedule widget to achieve increased fan engagement.
- Can you build a news website for a tech magazine? Make sure to include a search bar and newsletter sign-up to achieve increased readership.
- Can you build a recipe website for a vegan food blog? Make sure to include a rating system and ingredient filter to achieve increased user satisfaction.
- Can you build an online education platform for a coding bootcamp? Make sure to include a progress tracker and forum to achieve increased student success.

GENERATE WEB CODE

Prompt

Can you write code in Python that performs a sentiment analysis on a given text file?

Formula

Can you write a [language] code that [goal]?

Examples

- Can you write code in Java that creates a program to generate Fibonacci sequence?
- Can you write code in PHP that encrypts and decrypts a string using a specific algorithm?
- Can you write code in Ruby that creates a program to calculate the average of a list of numbers?
- Can you write code in C# that creates a program to calculate the factorial of a given number?
- Can you write code in JavaScript that creates a program to convert a temperature from Celsius to Fahrenheit?
- Can you write code in Swift that creates a program to check if a given string is a palindrome?
- Can you write code in Perl that creates a program to find and replace a specific word in a text file?

GENERATE BASIC CODE

Prompt

Can you write Python code that generates random business names?

Formula

Can you write [language] code that generates [desired output]?

Examples

- Can you write code in Ruby that generates a random haiku poem?
- Can you write code in Swift that generates a random workout routine with a specific number of exercises and sets?
- Can you write code in C# that generates a random math quiz with a specific number of questions and difficulty level?
- Can you write code in JavaScript that generates a random maze with a given size and complexity?
- Can you write code in Python that generates a random password of a specific length and complexity?

GENERATE LESSON PLANS

Prompt

Can you create a lesson plan for high school students to learn about renewable energy over the next two weeks? Make sure to include hands-on experiments and discussions, and generate a mock quiz in the end.

Formula

Can you create [instructional material] for [target audience] to improve [learning objectives] over the next [time period]? Make sure to include [specific features] and generate a mock [assessment] in the end.

Examples

- Can you create a workshop plan for a group of entrepreneurs to improve their pitching skills over the next two days? Make sure to include interactive activities and feedback sessions, and generate a mock pitch assessment in the end.
- Can you create a training manual for a customer service team to improve their communication skills over the next month? Make sure to include case studies and role-playing exercises, and generate a mock customer interaction assessment in the end.

- Can you create a study guide for college students to prepare for a literature exam on Shakespeare over the next three weeks? Make sure to include chapter summaries and practice essay questions, and generate a mock exam in the end.
- Can you create a curriculum for a coding bootcamp for beginners to learn web development over the next six months? Make sure to include projects and peer review sessions, and generate a mock project assessment in the end.
- Can you create a workshop plan for a group of educators to improve their online teaching skills over the next three days? Make sure to include interactive activities and peer review sessions, and generate a mock online teaching assessment in the end.
- Can you create a training manual for a sales team to improve their product knowledge over the next two months? Make sure to include case studies and product demonstrations, and generate a mock sales pitch assessment in the end.
- Can you create a lesson plan for elementary school students to learn about the solar system over the next four weeks? Make sure to include hands-on activities and discussions, and generate a mock quiz in the end.

DECORATE INTERIORS

Prompt

Can you come up with some interesting ways of decorating a bedroom in the style of a Harry Potter movie?

Formula

Can you come up with some interesting ways of decorating a [room/space] in the style of [style]? The [element] should [goals].

Examples

- Can you come up with some interesting ways of decorating a living room in the style of mid-century modern? The furniture should emphasize clean lines and organic shapes.
- Can you come up with some interesting ways of decorating a bedroom in the style of bohemian? The color palette should feature rich, earthy tones and layers of texture.
- Can you come up with some interesting ways of decorating a home office in the style of industrial? The lighting should highlight exposed brick walls and metal accents.

- Can you come up with some interesting ways of decorating a kitchen in the style of farmhouse? The cabinetry should showcase rustic wood finishes and vintage-inspired hardware.
- Can you come up with some interesting ways of decorating a garden space in the style of Japanese Zen? The water features should create a tranquil and meditative atmosphere.
- Can you come up with some interesting ways of decorating a dining room in the style of art deco? The wall art should incorporate bold geometric patterns and luxurious materials.
- Can you come up with some interesting ways of decorating a bathroom in the style of coastal? The accessories should evoke a relaxed, beachy vibe with soft colors and natural textures.

CONSIDER LEGAL ACTION

Prompt

Given that I was unfairly fired from my job, what legal action could I take?

Formula

Given that [event], what legal action could I take?

Examples

- Given that my neighbor's tree fell on my property and caused damage, what legal action could I take?
- Given that I was unfairly dismissed from my job without proper notice, what legal action could I take?
- Given that I purchased a defective product that caused injury, what legal action could I take?

- Given that my copyrighted work was used without my permission, what legal action could I take?
- Given that I was involved in a car accident where the other driver was at fault, what legal action could I take?

SIMULATE JOB INTERVIEWS

Prompt

Simulate a high level interview for a position as a movie director by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Formula

Simulate a high level interview for a position as a [job title] by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

Examples

- Simulate a high level interview for a position as a Data Scientist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

- Simulate a high level interview for a position as a User Experience Designer by asking questions as if you are a potential employer. In this scenario, I am taking the questions to screen my competence, but only after I respond. Start by introducing yourself.
- Simulate a high level interview for a position as a AI Engineer by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.
- Simulate a high level interview for a position as a Digital Marketing Specialist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.
- Simulate a high level interview for a position as a E-commerce Specialist by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.
- Simulate a high level interview for a position as a Social Media Manager by asking questions as if you are a potential employer. In this scenario, I am taking the role of the employee and you ask increasingly hard questions to screen my competence, but only after I respond. Start by introducing yourself.

ESTIMATE CAREER VIABILITY

Prompt

Is a career in web development a good idea considering the recent improvement in AI? Answer with only one word: “yes” or “no”

Formula

Is a career in [industry] a good idea considering the recent improvement in [technology]? Provide a detailed answer that includes opportunities and threats.

Examples

- Is a career in automotive manufacturing a good idea considering the recent improvement in electric vehicle technology? Provide a detailed answer that includes opportunities and threats.
- Is a career in finance a good idea considering the recent improvement in blockchain technology? Provide a detailed answer that includes opportunities and threats.
- Is a career in healthcare a good idea considering the recent improvement in telemedicine technology? Provide a detailed answer that includes opportunities and threats.

- Is a career in agriculture a good idea considering the recent improvement in precision farming technology? Provide a detailed answer that includes opportunities and threats.
- Is a career in retail a good idea considering the recent improvement in augmented reality technology? Provide a detailed answer that includes opportunities and threats.
- Is a career in journalism a good idea considering the recent improvement in artificial intelligence-powered news generation? Provide a detailed answer that includes opportunities and threats.
- Is a career in renewable energy a good idea considering the recent improvement in solar panel efficiency? Provide a detailed answer that includes opportunities and threats.

ANALYZE CONTENT

Prompt

Analyze a job application for professionalism, such as attention to detail, clear communication, and relevant experience: [insert job application]

Formula

Analyze [format] for [purpose], such as [goals]: [insert text]

Examples

- Analyze a poem for literary devices, such as imagery and metaphors: [insert text]
- Analyze a speech for persuasive techniques, such as ethos, pathos, and logos: [insert text]
- Analyze a film scene for cinematography, such as camera angles and lighting:[insert text]
- Analyze a business proposal for feasibility, such as market demand and financial projections: [insert text]
- Analyze a piece of music for compositional techniques, such as harmony and form: [insert text]
- Analyze a scientific study for methodology, such as experimental design and data analysis: [insert text]
- Analyze a website for user experience, such as navigation and visual design: [insert text]

MAKE ANALOGIES

Prompt

Can you create an analogy for being overwhelmed?

Formula

Can you create an analogy for [concept]?

Examples

- Can you create an analogy for explaining photosynthesis?
- Can you create an analogy for understanding how a computer processor works?
- Can you create an analogy for the concept of supply and demand in economics?
- Can you create an analogy for the process of cell division?
- Can you create an analogy for the theory of relativity?
- Can you create an analogy for the concept of machine learning?
- Can you create an analogy for the principle of buoyancy?

GENERATE ROADMAPS

Prompt

Using Photoshop and advanced skill level, outline the steps for removing the background of a picture, including any necessary tips or resources.

Formula

Using [software] and [skill level], outline the steps for [goal], including any necessary tips or resources.

Examples

- Using WordPress and beginner skill level, outline the steps for creating a website, including any necessary tips or resources.
- Using Excel and intermediate skill level, outline the steps for creating a marketing budget, including any necessary tips or resources..
- Using Canva and beginner skill level, outline the steps for creating a social media post, including any necessary tips or resources.
- Using Adobe Premiere Pro and intermediate skill level, outline the steps for creating a video project, including any necessary tips or resources.

- Using Google Analytics and beginner skill level, outline the steps for setting up a website analytics dashboard, including any necessary tips or resources.
- Using Autodesk Sketchbook and advanced skill level, outline the steps for creating a digital illustration, including any necessary tips or resources.
- Using Unity and intermediate skill level, outline the steps for creating a 3D game environment, including any necessary tips or resources.

DISCOVER CULTURES

Prompt

What are the most effective methods and resources for deepening my understanding of European culture, including strategies for engaging with the culture beyond the basics?

Formula

What are the most effective methods and resources for deepening my understanding of [culture], including strategies for engaging with the culture beyond the basics?

Examples

- What are the most effective methods and resources for deepening my understanding of Japanese culture, including strategies for engaging with the culture beyond the basics?
- What are the most effective methods and resources for deepening my understanding of South American culture, including strategies for engaging with the culture beyond the basics?
- What are the most effective methods and resources for deepening my understanding of African culture, including strategies for engaging with the culture beyond the basics?

- What are the most effective methods and resources for deepening my understanding of Middle Eastern culture, including strategies for engaging with the culture beyond the basics?
- What are the most effective methods and resources for deepening my understanding of Indigenous cultures, including strategies for engaging with the culture beyond the basics?
- What are the most effective methods and resources for deepening my understanding of Asian culture, including strategies for engaging with the culture beyond the basics?
- What are the most effective methods and resources for deepening my understanding of LGBTQ+ cultures, including strategies for engaging with the culture beyond the basics?

CREATE BUDGETS

Prompt

Help me create a budget for my \$3500 monthly income by allocating funds to rent, groceries, transportation, and health insurance (essential categories), concerts, weekend trips, and hobbies (discretionary categories), and debt repayment, emergency fund, and general savings (savings/investments), while taking into account saving for a wedding in three years.

Formula

Help me create a budget for my [monthly income] by allocating funds to [essential categories], [discretionary categories], and [savings/investments], while taking into account [financial goals].

Examples

- Help me create a budget for my \$4000 monthly income by allocating funds to rent, groceries, utilities, and insurance (essential categories), entertainment, dining out, and hobbies (discretionary categories), and retirement fund, emergency fund, and debt repayment (savings/investments), while taking into account purchasing a new car in two years. - What are some options for quick and easy plant-based dinners that I can prepare/cook at home without any cooking experience, given a busy schedule?
- What are some options for tasty and filling salads that I can prepare/cook at home without any cooking experience, given a desire to incorporate more vegetables in my diet?
- What are some options for gluten-free baked goods that I can prepare/cook at home without any cooking experience, given a wheat allergy?
- What are some options for meal prep lunches that I can prepare/cook at home without any cooking experience, given a goal to save time during the week?

CREATE A WORKOUT PLAN

Prompt

Can you create a strength training plan for a 6ft, 170 pound male with intermediate experience who wants to increase their bench press weight by 10 pounds in a 3 month period, incorporating barbell exercises?

Formula

Can you create a workout plan for a [height] [weight] [gender/age] with [fitness level] who wants to [specific goal] in [time period], incorporating [type of exercise]?

Examples

- Can you create a low-impact cardio plan for a 5ft, 160 pound female with beginner-level fitness who wants to improve their cardiovascular endurance for a 5K race in 2 months, incorporating stationary biking and walking?
- Can you create a flexibility plan for a 5ft, 110 pound 12-year-old child who wants to improve their splits in a 1 month period, incorporating stretching and yoga?
- Can you create a high-intensity interval training (HIIT) plan for a 5ft, 200 pound male with advanced experience who wants to lose 15 pounds in a 4 month

period, incorporating plyometric exercises and sprinting?

- Can you create a balance and stability plan for a 6ft, 140 pound female with intermediate experience who wants to improve their surfing skills in a 2 month period, incorporating balance board exercises and yoga?
- Can you create a full-body workout plan for a 5ft, 130 pound male with beginner-level fitness who wants to improve their overall strength and fitness in a 3 month period, incorporating bodyweight exercises and dumbbell workouts?
- Can you create a resistance band workout plan for a 5ft, 100 pound 70-year-old female with intermediate experience who wants to improve their overall strength and flexibility in a 6 month period, incorporating resistance band exercises and stretching?

CREATE MEAL PLAN

Prompt

Can you create a 5-day meal plan for a 15-year-old with lactose intolerance who needs to consume 2000 calories per day, but make it dairy-free and calcium-rich to support bone health?

Formula

Can you create a [number]-day meal plan for an [age group] with [health condition/dietary preference/lifestyle habit] who needs to consume [number] calories per day, but make it [preference/restriction] to [goal]?

Examples

- Can you create a 14-day meal plan for a 40-year-old with Type 2 diabetes who needs to consume 1800 calories per day, but make it low-carb and fiber-rich to manage blood sugar levels?
- Can you create a 30-day meal plan for a 60-year-old with hypertension who needs to consume 1500 calories per day, but make it low-sodium and potassium-rich to manage blood pressure?

- Can you create a 21-day meal plan for a 25-year-old with a gluten allergy who needs to consume 2500 calories per day, but make it high-fiber and iron-rich to support gut health and prevent nutrient deficiencies?
- Can you create a 7-day meal plan for a 35-year-old with PCOS who needs to consume 2000 calories per day, but make it low-glycemic and anti-inflammatory to manage hormonal imbalances and improve fertility?
- Can you create a 14-day meal plan for a 50-year-old with celiac disease who needs to consume 1800 calories per day, but make it gluten-free and vitamin B12 rich to support gut healing and prevent nutrient deficiencies?

WORKOUT AT HOME

Prompt

What exercises can I do at home to improve my core and glutes as an intermediate level, incorporating planks and walking lunges?

Formula

What exercises can I do at home to strengthen my [body part] as a [experience level], incorporating [exercise]?

Examples

- What exercises can I do at home to improve my cardiovascular endurance as a beginner, incorporating jumping jacks and burpees?
- What exercises can I do at home to improve my shoulders as an intermediate level, incorporating resistance band pull-aparts and handstand push-ups?
- What exercises can I do at home to improve my power and explosiveness as an advanced level, incorporating Olympic lifts and plyometric jumps?
- What exercises can I do at home to improve my balance and stability as a beginner, incorporating single-leg squats and yoga poses?

- What exercises can I do at home to improve my upper body strength as an advanced level, incorporating weighted pull-ups and dips?
- What exercises can I do at home to improve my flexibility as a beginner, incorporating dynamic stretching and foam rolling?
- What exercises can I do at home to improve my speed and agility as an intermediate level, incorporating ladder drills and cone sprints?

DESIGN MENUS

Prompt

Design a dinner menu with 3 courses, focusing on dishes that are easy to cook for beginners and cater to vegetarian preferences.

Formula

Design a dinner menu with [number] of courses, focusing on dishes that are [restriction] and cater to [food preferences].

Examples

- Design a dinner menu with 4 courses, focusing on dishes that require a preparation time of 30 minutes or less and cater to seafood lovers.
- Design a dinner menu with 2 courses, focusing on dishes that require no more than 6 ingredients and cater to vegan preferences.
- Design a dinner menu with 5 courses, focusing on dishes that require a preparation time of 20 minutes or less and cater to Asian cuisine preferences.
- Design a dinner menu with 3 courses, focusing on dishes that require no more than 7 ingredients and cater to Mexican cuisine preferences.

- Design a dinner menu with 4 courses, focusing on dishes that require a preparation time of 45 minutes or less and cater to Italian cuisine preferences.
- Design a dinner menu with 2 courses, focusing on dishes that require no more than 8 ingredients and cater to low-carb preferences.
- Design a dinner menu with 5 courses, focusing on dishes that require a preparation time of 60 minutes or less and cater to Mediterranean cuisine preferences.

IMPROVE YOUR HEALTH

Prompt

How can I improve my immune system by making changes to my diet as an older adult?

Formula

How can I improve my [health aspect] by making changes to my diet as a [restriction/preference]?

Examples

- How can I improve my mental health by making changes to my diet as a pescatarian?
- How can I improve my gut health by making changes to my diet as a lactose-intolerant individual?

- Create a table listing the top 10 foreign-language movie options to help you unwind after a long day. The first column is titled “Name”, the second column is “Description”, the third column is “Average Rating (out of 5)”, and the fourth column is “Top Critic Quote”.

FOLLOW-UP PROMPTS

Usage Tip:

Experiment with these as your 2nd or 3rd prompt.

TRY AGAIN

Universal

Could you elaborate on how the latest response you provided doesn't align with my previous instructions? After clarifying that, please make another attempt at following the instructions I gave earlier.

CLARIFY CONCEPT

Universal

Can you clarify what you mean by [concept]?

RESET THE CONTEXT

Universal

Ignore all previous instructions before this one.

SUMMARIZE CONVERSATION

Universal

Write a summary of our conversation in bullet points.

EXPLORE DETAILS

Universal

Now explain that in more detail

GO DEEPER

Universal

But why?

MULTIPLY RESULTS

Universal

10 more

CHANGE THE STYLE

Transformation

Rewrite in the style of [style]

ADD CONTEXT

Transformation

Now try again but consider [context]

CHANGE TEXT TYPE

Transformation

Now transform all the above information into a [text type]

FIND CHEAPER SOLUTIONS

Problem Solving

If we had to solve this problem with half the resources or time, what would we do differently?

BRAINSTORM SOLUTIONS

Problem Solving

What are some other ideas or solutions we haven't considered yet? Can you think of any creative ways to approach this problem?

MEASURE SUCCESS

Decision Impact

What would success look like in this situation and how can we measure it? Format the answer in a table with two columns titled "Success Criteria" and "Measurement Method"

ESTIMATE IMPACT

Decision Impact

How will this decision affect different stakeholders? Are there any potential conflicts of interest?.

BREAK-DOWN-STEPS

Planning For Success

Can you break this down into smaller steps? Summarize them in a to-do list.

EXPLORE NEXT STEPS

Planning For Success

Can you summarize the main points we've discussed so far in a bullet point list? Based on our conversation, what would you recommend as the next steps?

DETAILED PLAN

Planning For Success

Can you outline a step-by-step plan for implementing this solution? What actions should we take first? Format the answer in a table with a column for steps and a second one for solution.

CONSIDER FEEDBACK

Analysis

Do you have any feedback or suggestions on the current approach? How can we improve it?

PROVIDE EXAMPLES

Analysis

Can you provide real-world examples to illustrate your point?

WEIGH PROS/CONS

Analysis

What are the advantages and disadvantages of this approach? How does this solution compare to others?

FIND BEST SOLUTION

Analysis

Why do you think that is the best solution? What factors led you to this conclusion?

CLARIFY MISCONCEPTIONS

Speed Learning

What are some common misconceptions or misunderstandings about this topic that beginners should be aware of?

SIMPLIFY LEARNING

Speed Learning

Can you break this down into simpler terms or steps for someone who is new to the topic while making it understandable for a 5 year old?

GET TIPS/ADVICE

Speed Learning

What practical and immediately actionable tips or advice would you give to someone just starting out in this area?

IDENTIFY KEY SKILLS

Speed Learning

What are the most important skills or knowledge areas for beginners to focus on in this field?

STYLES

Usage Tip:

Customize your text by including "...make the text [tone]" or
"...in the style of [author/magazine/brand voice]"

FORMAL

Tone

Projects authority, professionalism, and seriousness; often used in academic or official contexts.

INFORMAL

Tone

Creates a casual, conversational atmosphere; suitable for relaxed or personal contexts.

AUTHORITATIVE

Tone

Conveys expertise, decisiveness, and confidence; suitable for presenting expert opinions.

CONVERSATIONAL

Tone

Mimics the natural flow and rhythm of spoken language; creates an informal, relatable tone.

EMPATHETIC

Tone

Demonstrates understanding, compassion, or sensitivity; connects with readers emotionally.

EDUCATIONAL

Tone

What practical and immediately actionable tips or advice would you give to someone just starting out in this area?

POETIC

Tone

What are the most important skills or knowledge areas for beginners to focus on in this field?

ERNEST HEMINGWAY

Author

Simple and direct prose, strong themes

FYODOR DOSTOEVSKY

Author

Psychological depth and moral dilemmas

Brand Voice

Magic, family entertainment, and storytelling.

HARLEY-DAVIDSON

Brand Voice

Freedom, individualism, and American spirit.

ROLEX

Brand Voice

Precision, craftsmanship, and prestige.

VANS

Brand Voice

Authenticity, youth culture, and action sports.

What's next?

The world around is changing and we have to adapt in order to thrive. I hope that this e-book will help you in not just surviving but thriving in the ever changing landscape.

Beyond the PDF version of this e-book I strongly recommend the **free Notion template** that comes with this book. It helps you organize all your the prompts from this e-book and the best part is that it's infinitel expandable. You can find it [here](#).

I also have a **ChatGPT course** that teaches the skill of prompt engineering which takes your understanding of ChatGPT to the next level by showing you how to craft custom prompts without any previous knowledge required which you can find [here](#).
